

BROCHURE

UAE'S NO.1 SWIMMING POOL & LANDSCAPING COMPANY

Green Creation Landscaping is a team of skilled professionals committed to meeting the diverse needs and expectations of our clients. With over 20 years of experience and thousands of satisfied clients, we provide a comprehensive range of services covering all aspects of landscaping and swimming pool management.

The Swimming Pool Professionals of Dubai

We design and construct swimming pools in Dubai with an unwavering commitment to excellence. We are specialists in residential and commercial swimming pool design, swimming pool construction, swimming pool maintenance, swimming pool repair, and swimming pool servicing. We offer turnkey solutions, taking care of every single aspect of construction or we work as a subcontractor when required.

We work closely with clients and architects, discuss the pool concept, agree on every detail of the project, and provide precise costs for all components. Every pool we build receives the same individual care and attention and is built to the very highest standard. Through our dedicated approach and technical expertise we are confident that we can offer you a superior swimming pool construction and maintenance service. We are capable of carrying out all the work with our subcontractors using quality construction methods and superior construction materials, that are supreme in beauty, quality, and strength.

Swimming Pool Design

Green Creation Landscaping Dubai is capable to carry out all the work with our subcontractors using quality construction methods and superior construction materials, our skilled subcontractor engineers can create excellent Swimming Pools, both commercial and residential, that are supreme in beauty, quality, and strength.

When we build your swimming pool, we consider carefully the environment in which the pool is to be built and, when construction begins, we follow a strict developmental strategy. We are conversant with the rapid changes taking place with technological innovations, new ideas, and products being applied to swimming pools and their environment. Critically, we understand the need to meet new challenges of energy conservation and low energy consumption on installations.

Swimming Pool Construction

Our award-winning swimming pool construction and swimming pool installation teams make sure your pool is constructed, delivered, and installed in superfast time. We have the fastest construction time of any pool construction method and our exceptional installation team makes sure all aspects of installation go smoothly throughout. With almost a decade of experience in swimming pool construction in Dubai, and having installed hundreds of pools, we know everything there is to know about getting your project finished with exceptional quality on time. We take care of all aspects of the work from preparation to finishing touches. Our superior standards of workmanship and our solid reputation are second to none. Our construction principles are the same for both commercial and domestic pools; all of our swimming pools are constructed as permanent installations. A top-quality permanent structure from a reliable established company in Dubai, UAE. Our team combines expertise with cutting-edge technology to deliver bespoke pools that surpass expectations, setting new standards of luxury and functionality. With a proven track record of delivering superior results and exceeding client satisfaction, Green Creation stands as the premier choice for transforming your vision of the perfect pool into a breathtaking reality.

Swimming Pool Repair & Maintenance

Green Creation Landscaping Dubai understands it is not economical to drain and refill a swimming pool. If any repairs or maintenance works are required beneath water levels - such as tiling, grilles, moveable floor, and boom systems - we can provide commercial divers to carry out the works without any disruption. All of our divers are trained and qualified swimming pool engineers; they, therefore, have the experience and knowledge to identify any problems and rectify them. We can confidently affirm that with our expert knowledge of sanitization and swimming pool maintenance, our clients will be left enjoying all the benefits of a clear and clean swimming pool all year round.

The Landscaping Experts of Dubai

Green Creation Landscaping offers a proven track record of quality landscape design, installation, and maintenance. Our Landscape Designers are professionals who have a working knowledge of not only landscape construction and building techniques but also of plants and their growing habits. The designer will take into account how you and your family intend to use the garden, budget, style, materials, likes, and dislikes, and will use this information to put together a design that meets the criteria of your brief and budget expectations.

Green Creation specializes in transforming both residential and commercial landscapes in Dubai and all across the UAE. We will create excellent outdoor space for you by understanding your vision, using high-quality materials, and project managing the process from the initial site visit to project completion. If you are looking for a reliable and experienced landscape contractor or consultant in Dubai, then it is Green Creation Landscaping for sure.

Landscape Design

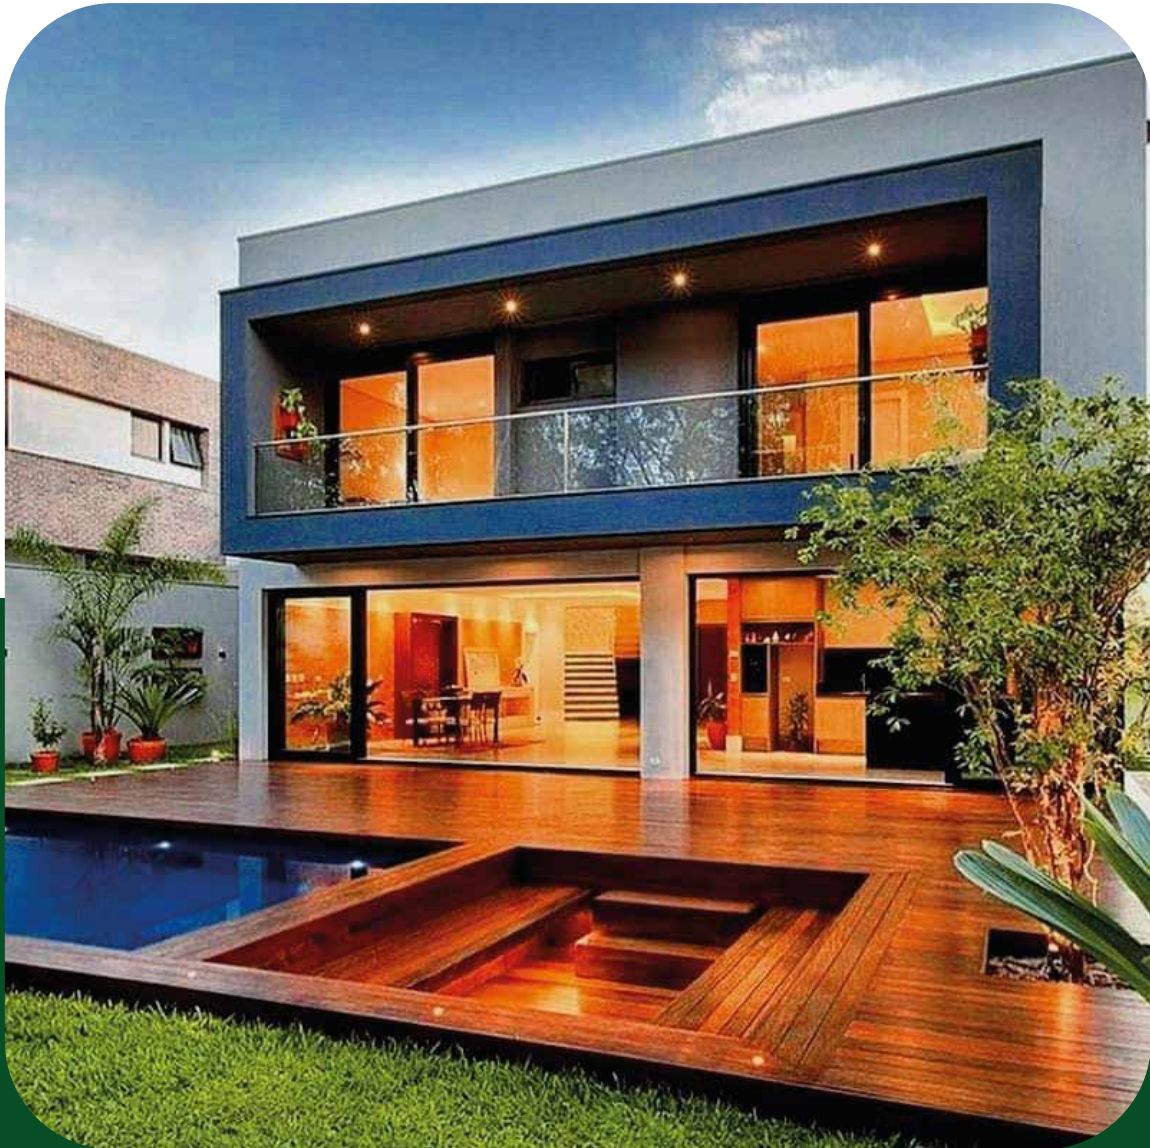

Our Landscape Designers are professionals who have a working knowledge of not only landscape construction and building techniques but also of plants and their growing habits. The designer will take into account how you and your family intend to use the garden, budget, style, materials, likes, and dislikes and will use this information to put together a design that meets the criteria of your brief and budget expectations. The final design will be drawn to a scale appropriate to the size of your garden and once the drawings have been created we will be able to provide you with an accurate quotation to implement the scheme. By the end of the design process, you will be clear in your mind exactly how you want your garden to look and with the design in hand, we will have a clear brief on what your requirements and expectations are, which can eliminate costly misunderstandings and misinterpretation during the building process. Our expert team uses state-of-the-art design tools and high-quality materials to bring your vision to life, ensuring every project is a work of art. With a strong reputation for excellence, attention to detail, and customer satisfaction, Green Creation Landscaping is the top choice for transforming any landscape into a stunning masterpiece. Trust us to create the perfect outdoor environment for your home or business.

Landscape Maintenance

At Green Creation Landscaping we will help you realize the beautiful grounds you have always wanted and keep your property looking its best year-round. Our comprehensive, year-round contracts offer highly individualized services to enhance, beautify, and increase the functionality of your landscape environment. Each program is specially customized and properties are consistently serviced by experienced & professional foremen and crews that are continually trained and have been employed by us for many years. Your project will be completed on time and on-budget, no matter the scale or scope.

Green Creation has established itself as the leading provider of landscape maintenance services in Dubai, UAE, distinguished by our unwavering commitment to excellence and a meticulous approach to every aspect of landscape care. Our comprehensive maintenance programs are designed to preserve the beauty and vitality of our clients' landscapes year-round, ensuring that each garden, lawn, and outdoor space remains in pristine condition. What sets us apart from our competitors is our deep understanding of the local environment, which allows us to tailor our maintenance strategies to the specific needs of Dubai's unique climate and soil conditions. Our expert team, comprising highly trained horticulturists and landscape professionals, utilizes cutting-edge techniques and sustainable practices to address the full spectrum of landscape maintenance needs, from routine lawn care and pruning to advanced plant health care and irrigation management. We pride ourselves on our proactive approach, regularly monitoring the health and appearance of each landscape to anticipate and address potential issues before they arise. This attention to detail, combined with our use of top-quality materials and tools, ensures that our clients' landscapes not only look immaculate but also thrive over time. At Green Creation, we go beyond mere upkeep; we enhance the longevity and aesthetic appeal of every landscape we maintain, delivering results that consistently exceed client expectations. Our reputation as the best in the business is reinforced by our dedication to personalized service, reliability, and our ability to consistently outperform our competitors in delivering superior landscape maintenance solutions.
